THE PIONEERS OF IN-POOL FURNITURE

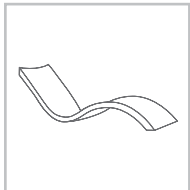

Ledge Lounger started when a pool designer needed furniture to complete a swimming pool project.

The result was a groundbreaking concept: furniture designed specifically for the water. Other pool designers began reconsidering how they designed pools and outdoor experiences.

But the story doesn't end there.

Ledge Lounger continues to evolve with a variety of in-pool seats, accessories, and complimentary furnishings, all with the vision of inspiring people to experience outdoor living, in style.

THE LEADER OF THE LEDGE

Lets cut to the Chaise. This is what we’re known for.
The cornerstone of the Ledge Lounger brand, a Signature Chaise
is right at home in a low-key backyard, or a high-end, swanky resort.

Many others have tried to imitate, but the Signature Chaise remains
unrivald in durability, longevity, and curve appeal.

SLIDING OUR WAY TO INNOVATION

One afternoon, our product development team ventured out to a resort to observe pool goers interacting with our products. (Yes, we get to call an afternoon at the pool “work.”)

We noticed something that surprised us. Rather than laying on the Chaise, the way its typically used, a handful of kids were using its curves as a slide. We watched as they entertained themselves for hours, and realized they might be onto something. Their inventive approach inspired the Signature Slide; designed so adults can take back their seat for lounging, and kids can enjoy uninterrupted play on the pool’s ledge.

SLIDE

Designed for in-water use in a maximum of 12".
Slide and landing area must be on a tanning ledge of an in-ground swimming pool.

See spec sheet or installation instructions for full proper use requirements.

Designed for ages 3+ Children only - 70 lbs (32kg) weight limit.

SAFETY FIRST

- Smooth and flat slide area
- Contoured handrail on sides for easy grip
- Slip-resistant foam for safety

NOT YOUR AVERAGE ADIRONDACK CHAIR

When developing our Mainstay Collection, we became obsessed with introducing the perfect Adirondack. We examined every facet of the design and history of this classic chair. We were relentless about making an elevated and unique design because the world doesn’t need just another Adirondack chair.

Our obsession was rewarded with this modern, seamless, and virtually indestructable Mainstay Adirondack.

CUSHIONS AND PILLOWS

Wet, dirty, or moldy cushions can quickly ruin a day spent outdoors. Our cushions and pillows, made in-house by a dedicated sewing team, are over-engineered to ensure year round, uninterrupted use.

By using marine grade fabrics, crushed fast-dry foam, and sealing it all together with stainless steel hardware, we ensure outdoor time is uninterrupted and cushions remain ready to use.

FAST DRY CUSHIONS
Spend less time cleaning and more time realxing on fade-resistant, mold-free cushions. Our open-cell foam and high-quality fabric dries quickly and cleans easily.

BLEACH CLEANABLE
Made from materials that can take a beating. A physical beating, one given by the elements, or one from harsh chemicals, our pillows and cushions are as rugged as they are comfy.

COMMERCIAL GRADE
This furniture can be seen in the most high-end resorts around the world. That's because we only use materials suitable for commercial environments.

HANDMADE IN THE USA
From concept to design to manufacturing, every Ledge Lounger product is made with pride in the United States of America.
