Available Colors

Spa Shells

Aspen Spas allows you to personalize your spa with five luxurious acrylic color options. Our spas are crafted using only genuine Lucite Optix-XL – a glossy, rich, and lustrous material that withstands the test of time, ensuring that your spa looks beautiful for years to come.

Alabaster White

Desert Dunes

Moonstone Grey

Onyx Black

Smokey Mountains

Cabinets

Aspen Spas are built with high-grade Poly and have a real wood look and is maintenance-free. Aspen Spas cabinets are resistant to moisture, corrosive substances, and other environmental stresses, allowing them to maintain their color and integrity for the life of the spa. Match your hot tub to the current look and feel of your backyard.

Ash Luxe

Espresso

Graphite Grey

Venetian Bronze

Covers

Our high-density foam spa covers ensure maximum heat retention, even in extreme climates. Available in two colors, our marine-grade vinyl covers are equipped with a full insulating center pillow and safety locks to prevent animals and children from unexpectedly entering your tub.
